UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION

IN RE DMCA SECTION 512(h)
SUBPOENA TO DYNADOT INC.

Case No.: 3:25-mc-80138-TLT

[PROPOSED] ORDER GRANTING
UNOPPOSED MOTION TO COMPEL
COMPLIANCE WITH DMCA
SUBPOENA

Date: Tuesday, August 5, 2025
Time: 2:00 p.m.
Courtroom: 9, 19th Floor, San Francisco
Judge: Hon. Trina L. Thompson

1 Before the Court is Movant Nima Gharavi's Unopposed Motion to Compel
2 Compliance with DMCA Subpoena filed pursuant to 17 U.S.C. § 512(h), Federal Rules
3 of Civil Procedure 37 and 45, and Civil Local Rule 37-1. Having considered the motion,
4 the declaration and exhibits in support, and the applicable law, and good cause appearing
5 therefor,

6

7 **IT IS HEREBY FOUND AND ORDERED:**

8

9 **1. LEGAL DETERMINATION REGARDING DYNADOT**

10 Based on the evidence presented, Dynadot Inc. qualifies as a provider of "Information
11 Location Tools" under 17 U.S.C. § 512(d) through its domain name registration services
12 and hosting services under § 512(c), and is therefore subject to identification subpoenas
13 under 17 U.S.C. § 512(h) regardless of any claimed transmission safe harbor protections
14 under § 512(a).

15

16 **2. FACTUAL FINDINGS**

17

18 The Court finds that:

19

20 a) Movant served a DMCA subpoena on Dynadot Inc. seeking domain registration
21 information and IP address history;

22

23 b) Dynadot provided only partial compliance, producing registration data but refusing
24 to provide requested IP address logs while claiming transmission safe harbor
25 protection;

26

27

28

1 c) Dynadot explicitly stated it would not object to a court order compelling
2 compliance;

3 d) Dynadot provides both domain name registration services and hosting services,
4 distinguishing it from pure transmission ISPs under § 512(a).

5 **3. ORDER COMPELLING COMPLIANCE**

6 Dynadot Inc. is hereby **ORDERED** to provide complete compliance with the
7 DMCA subpoena served by Movant, including:

8 a) All domain registration information for the MyPornVid.Fun domain as requested;
9 and
10 b) All IP address logs and history for the specified domain and time period as
11 requested in the subpoena.

12 **4. DEADLINE FOR COMPLIANCE**

13 Dynadot Inc. shall provide complete compliance with this Order within **fourteen**
14
15 **(14) days** of the date of this Order.
